Come with us on a journey to Pacific Crest Trail, a 2653 mile trail hiking from Campo (on the Mexico-California border), through California, Oregon, and Washington to Monument 78 in Manning Park. Listen to the stories of the three brave hikers:

- **Kelly Laurillard**, kindergarten teacher in Chilliwack and originally from Hope.
- **Tamara Snell**, a member of the Canadian Forces with over 10 years service and currently with Corrections Canada
- **Marion Craig**, a retired RCMP member currently teaching at the JIBC.

These three women, together, have completed the Washington and Oregon sections of the trail over the last 4 summers. Join this event to hear their stories of perseverance and courage.
