# A Better Way to Navigate Blackboard® Learn

**Base Navigation** for Blackboard Learn offers a new way to navigate and access your Blackboard Learn course content that will save you time and help you stay on top of what's most important.

Base Navigation's clean, personalized interface enables quick access to the information you need, the way you want it. It highlights what's new and what's due and offers valuable insights into performance—all without changing the course environment.

### Feature favorite:

Two-way synchronization with external calendars ensures your calendars are always up-to-date.

## Five top things educators love about Base Navigation

- 1 It looks great**  
 With a modern, easy to use, mobile-first view into Blackboard Learn, Base Navigation is more enticing to use and works well on all devices.
- 2 Saves time**  
 By surfacing information from all courses and organizations in one place, Base Navigation reduces the number of clicks it takes to get in, get it done, and move on with life.
- 3 Personalized view just for you**  
 Based on your personal preferences and institutional role, Base Navigation delivers meaningful content in a way that is most useful to you.
- 4 Performance insights**  
 With the actionable analytics surfaced through Base Navigation, you'll be able to identify at-risk students and take immediate action with just a few clicks.
- 5 The course environment stays the same**  
 Base Navigation offers the benefit of more effective navigation without changing your courses' look, feel, or functionality.
