

Learnings from Walking with the Skwxwú7mesh

By Helen Lee

On April 24-25, Naz and I had the pleasure of joining a 2-day Professional Development Retreat for Post Secondary Educators. This retreat was co-organized by SFU's [Moving Together in the Ways of the People](#) organizer Fiona Shaw, [David Suzuki Foundation](#) and [Camp Fircom](#).

Over the transformational 2-days, we shared many fireside dialogues with Skwxwú7mesh Indigenous Elder, walked and reflected on the land and water that gave us life, and connected with like-minded educators to reflect our current ways of teaching and learning.

We've put together an [interactive slideshow](#) to highlight our trip.

You can find more information about the [2-day workshop for educators](#). There is another one coming up in October for those interested.

Here is a list of [post-retreat resources](#) for further reading and viewing.
